SEPA Environmental Event Report

Action SCC call at 8:21am (also called this morning to SCC at 7:23am). noticed smell outside in garden - smells
Description like rotten eggs. smell 4 out of 5. Having to close the windows, not ill but smell will turn stomach. Detected at 06:30 that morning- noticed same smell wednesday morning. no pattern to smell. sunny and calm weather.

When incident occurred - checked with colleagues a number of complaints on going at the time / access to information request etc. Odour assessments were carried out on the 15 May and 21 May. was in contact with site on 18 May 2018 regarding proposed work to be carried out on the 19 May 2018 removal of two ammonia tanks. Event was investigated as part of on-going series of complaints at time. Complainant was not contacted back - it was genuinely overlooked

NFA - on-going work being carried out with site to address suspected odour issues.
